

HAVE YOU TRIED DR. KING'S NEW DISCOVERY FOR CROUP and WHOOPING COUGH?

Mrs. Wilmer E. Hemming, 222 east Twenty-fifth street, Chicago, says:

I wish to state that I have found Dr. King's New Discovery to be the very best medicine for Croup. My child was attacked very severely with croup, when a friend gave me a small sample bottle of Dr. King's New Discovery. Instant relief followed the first dose. It acts so quickly and so surely that I have no fears of croup when I have a bottle of this medicine within reach. I shall always keep it at hand.
